In Dedication to the

The book of 1974-75 is dedicated to the first four year graduating class of Mountain View High School. This class started as freshmen, when the grass areas were still dirt, and Thor was still in diapers. Now the grass is green and Thor is pottic trained.

This class has had far more spirit than any other class in the history of our school. Holding governmental offices and setting traditions are only a couple of accomplishments. I am sure every senior agrees, Mountain View will never see another class like theirs! Good-bye seniors. Stay healthy, wealthy, and wise and remember; We here at Mountain View love you!

The Aegir Staff

Class of 1975

Senior Reflections

Laughter, tears, hopes and fears,
Were my four years at Mountain View.
Loving care, hopes we shared,
Were my four years at Mountain View.
All my friends old and new,
All the things we used to do.
Will stay with me my whole life through,
Memories of Mountain View.

Written by Ingrid Kubiak

My last four years have been
basic foundations for my future.
From my failures, I've learned to
get up and start over. When I succeeded
I learned to stay humble. I overcame
obsticles I thought were impossible.

The experiences and my education since my last four years will always be there in the back of my mind, ready to call on when I want to remember. Through my experiences and my friends, they've become a part of me.

Ana Lucia De Carialho

Ana Lucia de Carialho is 16 years old and the first foreign exchange student in the history of our school.

Ana is from Brazil, Rio de Janerio. She said it is hard to be a foreign exchange student because there are many different customs in America, the schools are different and the weather is cold to her.

She writes, "We can't choose the classes each year. We take the classes that are generally assigned; like Math, Portuguese, geography, history, English or French, P.E. scir and art. In high school we have biology, phy and Quimic. We don't have the same classes every day."

Ana says that in Brazil, when you go out with a guy, you don't have to be his girl, you just go out to have fun and enjoy yourself. In Brazil, you go out at (9:00 and come home about 3 or 4 in the morning.)

So far Ana has enjoyed herself and she wants to say thank you to everybody, because you have all been great to her and made her experience a very different one.

This sure beets practice.

There is very little you can do in a semester, but we did as much as we could. The year started with seeing us having one meeting per month, but ending with two meetings per month.

There were many things

There were many things brought to our attention, but the ones of most importance were the ideas of a court system developing in this school. Also the thought of a mural painted in back of the gym to be seen and admired by all.

We also had our second annual candy sale with success. But the last important thing, I enjoyed having and getting to know everyone at those meetings. They were a lot of terrific people.

My oh my, how our first nineth grade class did grow, and now they will soon be the first graduates who have received all four years of their secondary school education at Mountain View High School. We have all come a long way from our opening days of sawdust and construction debris. Your growth in so many ways is evident, not only in academic subjects but, most importantly, in cooperation and getting along with others of various backgrounds.

In living things, growth and development always result in change. In similar manner, a growing school will see many changes. I certainly want to commend the Aegir Staff, under the editorship of Linda Mitchell and the guidance of Mr. Walter Little, for this beautiful book which so beautifully records your change and growth

through our times together.

It is truely wonderful to have been a part of your great growth drama here on these 48 acres. My most sincere wish for every student, staff member, and friend of Mountain View High School, is that each of us will realize God's greatest potential for all phases of our lives. May our level of living always be in keeping with our highest understanding of what is right.

Thank You All,

Dr. Berry

Another year, another book. No, not just another book, but a very special book called the Aegir 1975. This book means more to a graduating seniors than it does to juniors, and so on down the line with the sophomores and freshmen, but it doesn't stop here. For three or four years the Aegir will sit on a book shelves or stacked away in a dark closet, relatively unnoticed-then it suddenly become important... "Whatever happened to the student body president, whats he doing now?"... "What was the name of the star football player?"..."Is he the one I read about in the papers now?"... "and how can I get in touch with what's her name, the head cheerleader?"... "I wonder what looks like now, after all these years?" As the year pass, the 1975 edition of the Mountain View High School yearbook becomes more precious, and a very valuable book. Renewing old memories of good times and of special friendship becomes a very meaningful thing.

Yes, this is another year, but just not another book. This

particular book you will want to cherish for life.

Hi Vikings:

We are approaching the completion of our fourth year here at Mountain View High School and our first four year graduating class, the very first group of students to spend all four years of high school at Mountain View. I'll miss you students. It's been my pleasure to know you and work with you. I hope that all of you continue to put fourth a strong effort to improve yourselves and improve your place your community. As I leave Mountain View I will always have fond memories of working with the young people here. To coin a phrase "Thanks for the Memories." You have really been great. I really appreciate the opportunity to grow with you. May God be with each of you always.

Rex Welch Assistant Principal for Instruction.

Your friend, Jack Cline

Three of the happiest years I have spent as an educator were spent working with students from the South El Monte, El Monte areas while at El Monte High School. Now I have returned to this area and I find here at Mt. View High the same warmth and friendliness I had known in the past. I believe that Mt. View has within its student body the potential to be the best high school around and with the guidance and support of the community and staff, Mt. View will be at the top where we belong. Let's strive for that goal which can be a reality and prove to all that the Vikings are here to be noticed by their excellence and high achievements.

Fernando R. Ledesma.

This seems to be the year that Mountain View has become of age. All of our athletic teams not only showed pride, they made believers of every school playing us. The girls became part of CIF and played five sports, while we added boy's soccer to our schedule. Our band, flashrankers and pep squads showed moments of brilliance and maturity. The commission began decorating the gym and commission room, while the House got its mural under way. We had our first foreign exchange student, Anna. The classes started their class flags, the M.V. was finally finished on the hillside by the Lettermen, and we added more bleachers to our growing Viking Stadium.

Yes, this is a year of which we can be proud.

A Psalm Of David

The Lord is my shepherd;

I shall not want.

He maketh me lie down in green pastures;

he leadeth me beside the still waters.

He restoreth my soul;

he leadeth me in paths of righteousness for his name sake.

Yea, though I walk through the valley of the death,

I will fear no evil:

for thou art with me;

thy rod and thy staff they comfort me.

Thou preparest a table before me in the presence of mine enemies;

thou anointest my head with oil;

my cup runneth over.

Surely goodness and mercy shall follow me all the days of my life; and I will dwell in the house of the lord for ever.

Farewell
to:

All Vikings of Mtn. View will miss you Dr. Berry. You have given more of your time and talent than most of us will ever know. When the years have come and gone, we will still be able to view with pride, the accomplishments that have become part of this school, and know in our hearts that you had a major part in making it all possible.

We want to wish you well in your new assignment with the University of Southern California, and trust that God will give many happy hours of joy and fulfillment.

THE AEGIR STAFF

Mr. Jack Cline

Mr. Jack Cline will be a name always remembered by the students of Mountain View High School. He was a friend to all VIKINGS. During the last three years he was Director of Student Activities and Head of Counselors. His primary goal here at Mountain View was to be sure that each student received help and felt he was an important part of the whole. When anyone was in trouble or had a problem you could go to him he'd always have an answer. He was a person you could confide in. He wasn't just a teacher or a big man on campus he was a friend to all of us. We will miss Mr. Cline and we wish him great success and happiness at Temple City High School.

Ms. Grace Shammas has been sponsor of C.S.F. ever since the school opened in September 1971. According to Ms. Shammas, the best thing that happened to C.S.F. students, were the trips to the universities and the university football games.

She thinks the requirements for CSF are too discriminating because a student with all A's may or may not qualify for C.S.F. Also, the fact that physical Education does not count is regressive, because physical Education is as academic as the instructor chooses to have it. Also Ms. Shammas does not anticipate any change in C.S.F. because it is a state organization and the school does not set the standards.

When asked what student she thought was outstanding, she said that she couldn't choose just one individual, because they are all exceptional people.

After the fall semester she will relinquish the sponsorship of C.S.F. Ms. Shammas will miss the relationship with the students of C.S.F. but just as important, the students of C.S.F. will miss her.

The Second semester started off CSF with a new Sponsor. Her name is Miss Patricia Duran. Miss Duran is the new sponsor of C.S.F. She wants to help those students that are planning on going to college, get information and hopefully provide the information to the students on Scholarships and the universities and colleges that offer them.

C.S.F. was not advertised at her high school too much

and she didn't really know about it.

As sponsor she would like to take some field trips to various colleges to give the students an opportunity to get to know colleges that they could possibly attend in the future.

We'll miss Ms Shammas but we will get to know Miss Duran and like her just as much.

Last year's softball team finished the season with 3 wins and 3 losses, which tied them for a respectable 3rd place in league.

Returning to bolster hopes for even a better year will be: Lucy Garcia, considered to be one of the best pitchers in league and who was the most valuable player last year; Carla Hernandez, who hit a grand slam last year against Temple City; and Pat Cordova, last year's most improved player.

Season Highlights

This season proved to be Mtn. View's most successful in the Mission Valley League as they finished the year in 4th place in league standings. The Vikings proved to be a competitive team and their spirit and determination were evidenced in their play.

Two of Mtn. View's first 3 games were against teams which made the CIF playoffs. Victory eluded the Vikings until the fourth game when they upended Schurr, 13-7, as Mike Ruiz recovered a blocked punt in the end zone for the winning score. Hector Ruiz was the defensive standout, making 11 tackles. A big win for the team came against cross-town foe Arroyo, as Marty Shubin and Troy Tillett teamed up to score a touchdown on the first offensive play of the game, a 46-yard pass-run. The defense then took over, stopping the Knights twice inside the 10-yard line to preserve the shut-out. This game marked the first Varsity football win for the Vikings over a district school.

The last game of the season had to be the best, a 10-6 win over the Mark Keppel Aztecs. Bill Gil led the offensive attack, carrying the ball 25 times for 103 yards, setting a school record for rushing in one game. The offensive line, led by Mike Ruiz, John Quattrocchi and J. J. Guzman, did a superb job while the defense was sparked by the efforts of Bob Logan, Danny Chavez, Richard Espinoza, Omar Arrula and John Goodsell.

QB Marty Shubin had a fine year, as he finished the season completing 46% of his passes. Troy Tillett was his favorite receiver, as he pulled in 10 passes for 193 yards. Defensively, Bob Logan led the team with 103 tackles while defensive back Steve Tillett had 4 interceptions.

J.V. Champs

The 1974 Junior Varsity football team became the second championship team in the short history of the school as they went unbeaten through the league. The team was defensively orientated as they recorded three shutouts and limited their opponents to 44 points in 7 games. Linebacker Mark Warm topped the defensive unit as he led the team in both unassisted and assisted tackles. Defensive back Charlie Gil had 5 interceptions on the season, one which saved a 6-0 victory over El Monte. Albert Vargas recorded the outstanding defensive effort of the year against Monrovia as he had 12 tackles and 8 assists.

The Offensive unit was opportunistic, often using the big play to score. Running back Tom Gil was the squad's leading rusher as he gained 574 yards on the ground. His best game was against Monrovia as he carried the ball 21 times for 141 yards, scoring a touchdown on a 47 yard run. Quarterback Tom Calderon had a fine year passing as he completed 49% of his passes, four of which went for TD's.

Varsity Cross Country

Coach Ralph Hernandez

The Varsity Cross-Country team had a rough year in '74 as this was the first losing season for the Vikings since they came into the Mission Valley League three years ago. The team had a league record of two wins and five losses this year, after finishing 1973 with 6 wins and one loss.

According to Coach Hernandez, the record was due, in part, to a lack of Varsity experience, as only one member of this year's squad was a Varsity runner last year. The team was made up primarily of sophomores and juniors who were experiencing their first year of Varsity competition. There were, however, some bright spots for the harriers (see facing page. Three Varsity runners placed at this years Roadrunner Invitational: Everett Pacheco won the sophomore race while Raymond Rodriguez placed fifth; Ricardo Valadez placed 10th in the junior division.

With the entire squad returning next year, Coach Hernandez looks forward to having a

fine season.

S The JV's also had a rough year as they finished the season with one win an and six losses. However, the team tried hard and kept a good attitude all season. Team captain Phil Garcia made a fine effort, while Dale Fike and Al Romero also did a good job. The Frosh/Soph team recorded u their best record in three years as they finished with five wins and 2 losses, earning them 3rd place in the Mission n Valley League. The team was led by David Flores and Sal D'Amico, who placed 10th and 15th, respectively, at

the Roadrunner Invitational. David Silvas was one of the runners who

scored in every league meet.

Teams of 1975

Grappling their way to a fine season, the Varsity wrestling team picked up numerous individual medals and one team trophy (2nd place at the Baldwin Park Novice Tournament) enroute to an 8 win, 10 loss mark in dual meet competition. However it was individual efforts that stood out. Junior Dave Carney who pinned 14 of his opponents, just missed qualifying for the CIF Finals as he placed fifth in the CIF Prelims. Junior Gary Pino was selected by his teammates as a cocaptain and also the most valuable wrestler on the Varsity team. Freshmen Mike Earnest performed well in his first year as he pinned 10 of his opponents. Placing in league finals were Gary Pino and Dave Carney, 2nd; Rick Jimenez, John Goodsell, 3rd; and Kevin Kee, 4th.

Mountain View's JVs emerged with a winning record as they recorded 6 wins against 4 losses on the season. Freshman Dale Fike was named the most valuable JV wrestler as he showed great promise for making the varsity next year. Terry Macias, voted most improved, was undefeated as a J. V. winning 4 matches, 3 of which were by pin. Co-captains Mark Forbush and Steve Sanchez provided the leadership for the junior matmen.

With only two seniors on the team (Richard Moreno and John Goodsell), the team has the potential to become a league contender next year.

Following an impressive 6-4 preseason, Mountain View Varsity round-ballers managed only three league wins to finish with a 9-15 record an the old cliche of several Bright spots, including the Norwalk Basketball Tournament Champions.

Stars are known as Bright Spots, and Jackie Balderama was dazzling throughout the year as he sparkled with a 19 point per game average, A most Valuable player award in the Norwalk Tournament, and first team All League Honors.

Center Ed Velasquez took team high honors with a school record 212 rebounds and also played superbly in the Norwalk Tournament, gaining all Tournament Recognition.

Captain Carry Anson was the leading playmaker handing off 175 assists for the

season with a game high of 13- both totals being new school records.

Junior Jim Morris who had a high game of 14 points VS. Arroyo, Earl Frederiksen and Bob Hempel will be the only returners next seasons squad.

The JV basketball team established a new school scoring record this year as they registered 104 points against Mark Keppel. The team played very well throughout the season, averaging 64 points a game. Most Valuable Player Greg Garrison was the outstanding player for the team, averaging 12.5 points per game.

With center Tim Coats directing the team effort, the Sophomore basketball squad won the consolation trophy at the Rosemead Sophomore Basketball Tournament. Coats, voted the most valuable player, averaged 11 points per game and was the team's leading rebounder. Overall, the team won 7 games on the season while losing 16.

The frosh basketball team, led by most valuable Alfred Flores, ended up the season with a 12 win, 11 loss overall, record. Their best moment of the year came early in the season as they won the consolation bracket of the Mark Keppel Frosh Basketball Tournament. The frosh/soph basketball team, under coach Jim Contreras, came up short in many of their games, but made a good effort throughout the season. Manuel Hernandez was picked as the most valuable player of the team.

Track Team

Although lacking depth and overall strength, this year's VARSITY TRACK TEAM has several outstanding individuals which should make the team very competitive throughout the season. Returning league champions Ron Drelleshak (Varsity 120 low hurdles) and sophomore Everett Pacheco (Frosh/Soph 880) will both be looking to repeat as champions in their events.

As of early March, Pacheco had run the 880 in 2:01 and the mile in 4:32.6, both which are excellent early season marks. Freshman sensation Mike Earnest, at presstime, had already cleared 13'0" in the pole vault, which is a new school record, and he will be looking to better his personal best of 13'6". Both Pacheco and Earnest will probably compete in the Frosh/Soph division for CIF competition.

Also expected to contribute points will be distance runner Raymond Rodriguez, who will be running the mile and two-mile, sprinters Omar Arrula, Richard Flores, and Israel Martinez, and Weightman John Goodsell, who will be trying to break the school record in the shot put.

This year's team features a strong pitching staff as three hurlers are returning to the mound: Albert DelValle, Bill Giroud, and George Laich. Adding depth to the retation will be former JV's Robert Hempel, also a fine first baseman, and Ed Maldonado.

Defensively, the squad is strong where it counts, up the middle, with Marty Shubin and Antonio Raigosa at catchers, Steve Tillett and 2nd base, Troy Tillett at shortstop (perhaps the most gifted player on the team, Troy was 10 for 17 at the plate in pre-season, including 2 home runs and a triple), and Bill Gil in center field (Bill is the quickest player on the squad with an extremely accurate throughing arm).

Rounding off the starting lineup are Giroud and DelValle in the outfield and Jeff Short at 3rd base. The bench is also strong with Bobby Logan at 1st base and the outfield and Felix Almanza,

a very reliable infielder.

The JV's are off to a fine start as their season record to date stands at 5 wins and 0 losses. Expected to lead the Mountain View attack will be Jim Shubin, last year's most valuable player with a .485 batting average, and Greg Garrison, who pitched 3 wins against 1 loss last year while hitting .385. Adding to this strength will be last years frosh MVP Freddie Navarro.

The defensive strength of the team will lie in the middle with the catcher Bill Guardado, Rick Medina and Mike Folden handling the doubleplays, and anchored by Jim Shubin in centerfield.

The freshman baseball team is looking forward to having a fine season as they are 2-1-1, coming off a 17-1 victory over Gladstone. Several outstanding players add support to Coach Chavez's comment that, "Overall, this freshmen team has plenty of potential and should do well."

Jose Raigosa, a pitcher and catcher of outstanding ability, has a fine attitude and is expected to perform well. The best arm on the team is found in Gilbert Adame, who plays both in the outfield and on the pitching mound. And the leading batter at this point in the season is third baseman Rudy Castro.

With returning letterman Mark Brown, Verne Luxenburg, and Art Lugo leading the way, the team shapes up as being the best group of netters in the Vikings short four year history. At presstime the Varsity record stands at 3 wins and 2 losses.

Senior Mark Brown, the number one ranked tennis player at Mountain View for the past four years, has already run his individual record to 19 wins and 1 loss. Also off to fine start are Luxenburg with a 17-2 record and Lugo with a 15 win-5 loss effort.
